

Organised by ZEMCH Network KOREA in collaboration with Korean Solar Energy Society

ZEMCH 2019

Zero Energy Mass Custom Home 2019 International Conference

November 26 (Tue) ~ 28 (Thu), 2019
Seoul City Hall, Seoul, Korea

Call for Paper Announcement

Important Dates

- Extended abstract submission due: **May 20, 2019**
- Full paper due: **July 30, 2019**
- Final abstract/full paper due: **August 30, 2019**
- Early & Author registration due: **September 30, 2019**

Korean Solar Energy Society

Korean Institute of Architectural Sustainable Environment and Building Systems

Korea Institute of Civil Engineering and Building Technology

Korea Conformity Laboratories

ZEMCH 2019

Zero Energy Mass Custom Home 2019 International Conference

Dear Colleagues,

The 7th edition of the Zero Energy Mass Custom Home (ZEMCH 2019) International Conference will be held in Seoul, Republic of Korea from November 26th - 28th 2019. ZEMCH encourages participation of researchers, manufacturers, policy makers, and general stakeholders tackling issues arising in the delivery of socially, economically, environmentally and humanly sustainable built environments, which accommodate people with different socio-economic backgrounds in developed and developing countries.

You are warmly invited to take part in this conference and we welcome your submission of an abstract(s) covering the topics listed below using the conference dedicated online submission system by 20 May 2019. *The official website is already open and the online submission is now available at www.zemch2019seoul.org.*

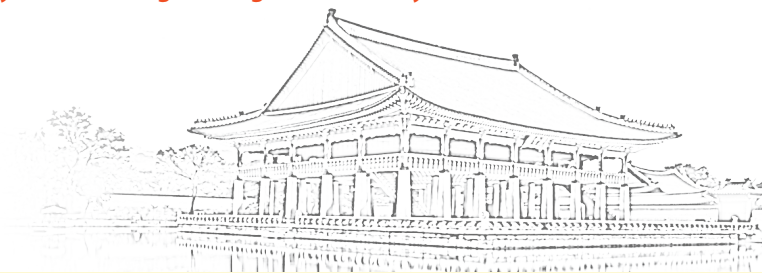

Abstracts will be peer-reviewed thoroughly. The accepted papers will be assigned to either oral or poster presentation. For both presentations, full paper submission will be requested for inclusion in the Proceedings of ZEMCH 2019, SCOPUS indexed.

In consideration of the presentations, quality papers will be selected for further inclusion in selected *SCI(E) journal's ZEMCH special issues – e.g. MDPI's Energies and Sustainability, and ICE's Engineering Sustainability.*

Best regards,

Jun-Tae KIM

Chair, ZEMCH 2019 Conference Organising Committee

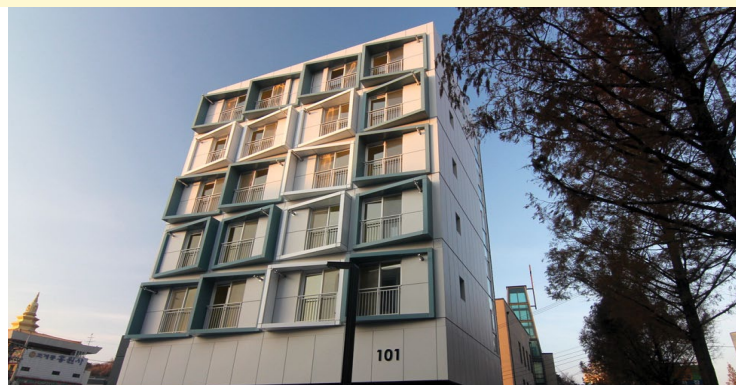

Topic Areas

1. Social, Economic and Environmental Sustainability
2. Sustainable Design and Construction Management
3. Sustainable Mass Customisation and Personalisation
4. Value Analysis and Visualisation
5. User Behaviour and Choice
6. Digital Fabrication and IT
7. Renewable Energy and Technology
8. Building Technology
9. Education and Policy Issues
10. Sustainable Housing
11. Low/Zero Energy Housing
12. Prefabrication
13. Building Performance Evaluation/Simulation
14. Energy Efficiency in Buildings
15. Building Information Management and Modeling
16. Sustainable Real Estate and Development
17. Mass Customisation
18. Green Economy and Policies
19. Design for Ageing
20. Inclusive Design
21. Humanitarian Design
22. Environmental Experience Design
23. Urban Regeneration

Submission Guidelines

- All abstracts must be submitted through the online submission system (no template) of the ZEMCH 2019 conference website.
- Papers MUST be prepared in English.
- Abstract may NOT exceed 450 words (text only).
- Template will be provided for Full Paper.
